SECTION 215.055: TEMPORARY STORAGE AND DISPOSAL CONTAINERS

A temporary storage or disposal container, meaning any storage or disposal container with a volume of (6) six cubic yards or larger which is used or intended for use as temporary or extended storage or disposal containers, shall be situated outdoors on residential or commercial property for a period of no more than twenty-four (24) hours unless a permit for extended usage is applied for and granted by the Village Clerk. No resident or commercial business owner or operator shall place more than one (1) disposal container on its property at any time. A temporary storage or disposal container used for the hauling and disposal of demolition waste in the course of permitted construction may remain on the property for the duration of any permitted construction project and no longer. Applications for the extended usage of a temporary storage or disposal container shall be maintained by the Village Clerk and made available to any applicant on which the applicant shall set forth specifically the size and type of container, the location of the container on the property and the expected duration of the placement of the container on the property. No such application shall be approved for extended usage for an "extended period" of more than two (2) months. Application fees shall be assessed pursuant to a schedule of fees periodically approved by the Board of Trustees.
