THIS AGREEMENT entered into this _____ day of _____, 201____, by and between the CITY OF TWIN OAKS, a municipality in St. Louis County, Missouri, hereinafter referred to as "CITY", and ST. LOUIS COUNTY, MISSOURI, hereinafter referred to as the "COUNTY").

WITNESSETH THAT:

WHEREAS, the provisions of Section 70.210 to 70.320 RSMo empower municipalities and other political subdivisions to contract and cooperate with each other for a common service; and

WHEREAS, Section 701.070.4 SLCRO 1974, as amended, authorizes the Chief of Police of St. Louis County to contract for its services with municipalities; and

WHEREAS, the CITY desires to engage the services of the St. Louis County Police Department, hereinafter referred to as the POLICE DEPARTMENT to provide for the enforcement of its Ordinances, and special police protection and services, including local patrols and traffic supervision; and

WHEREAS, the CITY has duly enacted and approved Ordinance No. _____, a copy of which is attached hereto and made a part hereof, authorizing the Board of Aldermen to execute this contract and to appoint any or all police officers of the POLICE DEPARTMENT, designated by the Chief thereof, as police officers of said CITY;

NOW, THEREFORE, IT IS AGREED BY AND BETWEEN THE CITY AND THE COUNTY AS FOLLOWS:

ARTICLE I - SCOPE OF SERVICES

(1) The POLICE DEPARTMENT shall continue to render to the CITY the same general police services in the enforcement of the laws of the State of Missouri as it now renders to all of St. Louis County.

(2) The police officers of the POLICE DEPARTMENT shall, without detracting from their power and authority as members of the POLICE DEPARTMENT, serve as police officers of the CITY, and shall perform such duties as are enjoined on them by the Statutes of the State of Missouri and the Ordinances of the CITY. Whenever possible, traffic

violations will be prosecuted under Ordinances of the CITY.

(3) The duties prescribed in paragraph two (2) hereof include the assignment of one (1) full time no-relief officer to the CITY. One (1) fully-equipped police vehicle will be marked identifying the CITY, coupled with providing routine contracted patrols and a police response to all calls for service. The assigned officer will devote his/her entire effort to the provision of police services to the CITY. The officers' duties will be assigned by the POLICE DEPARTMENT in consultation with the CITY, which will enhance the peace and safety of the CITY, including the provision and coordination of such community-oriented programs as neighborhood watch, citizen police academies, and citizen ride-along. The CITY shall provide all office facilities necessary to the enforcement of its Ordinances.

CITY may request COUNTY to provide an additional full-time no-relief officer to CITY. CITY shall notify COUNTY at least sixty (60) days prior to its need for said officer, and COUNTY shall provide said officer if said officer is available for police service to CITY.

A. In addition to the full-time assignment of one officer, the COUNTY will supplement the police presence by providing two (2) ten (10) minute municipal patrols per eight (8) hour shift [six (6) patrols per day] through the CITY and CITY park, night and holiday checks of business places and the homes of vacationing residents and general traffic control. In addition to the supplemental patrols, during the period from Memorial Day through Labor Day, each Friday and Saturday night, between the hours of 10:00 PM and 2:00 AM, two (2) specialized ten (10) minute municipal patrols of the Highway 141/Big Bend commercial area, park area, and the pet cemetery will be made.

B. The supplemental municipal patrols will be conducted as described except for those periods when a police officer is assigned and scheduled for an eight (8) hour tour-of-duty in the CITY. In addition to the two (2) patrols per shift, the POLICE DEPARTMENT will respond to all citizens' calls for service and 911 calls. If police activity within an area served by the St. Louis County Police Department, but outside of the CITY, requires that the Twin Oaks police car be dispatched as the nearest available car, St. Louis County may temporarily dispatch the Twin Oaks police car to a location outside of the CITY. The POLICE DEPARTMENT shall endeavor to provide a manned patrol car to the CITY as soon as practicable and return the Twin Oaks car to the CITY as soon as is reasonably possible.
