SECTION 410.010: INTENT AND PURPOSE

The regulation and control of signs in the Village of Twin Oaks is intended to promote the public health, safety and general welfare through a comprehensive system of reasonable, consistent and non-discriminatory standards and requirements of sign size, location, erection, number and maintenance. These regulations are specifically designed to allow for the conduct of commerce, to protect the public from the dangers of unsafe signs, to identify places of residence, and to provide for a desirable and attractive living environment for the Village of Twin Oaks. The Building Commissioner shall be charged with the responsibility for enforcing this Chapter, to include the promulgation of regulations necessary for its implementation.

SECTION 410.020: DEFINITIONS

As used in this Chapter, the following terms shall have these prescribed meanings:

BOARD OF ADJUSTMENT: The Board of Adjustment of the Village.

BOARD OF TRUSTEES: The Board of Trustees of the Village.

BUILDING CODES: The duly adopted Building Code of the Village as set forth in Section 500.010 of the Municipal Code of the Village of Twin Oaks, Missouri.

ERECT: To build, construct, attach, hang, rehang, place, affix or relocate, including the painting and repainting of permanent window signs.

FRONTAGE: The length of the lot along the street side. The front of a lot bordering more than one (1) street is considered separate for each street.

HEIGHT: Unless otherwise specified in this Chapter, the vertical distance above the average ground level of the original, undisturbed grade at the sign supports measured to the highest point of the sign.

PLANNING AND ZONING COMMISSION: The Planning and Zoning Commission of the Village.

PREMISES: That portion of a lot or building occupied by a single occupant, exclusive of common area, if any, shared with adjacent occupants.

PRINCIPAL BUILDING: A building or, where the context so indicates, a group of buildings in or on which is conducted the principal use of the lot on which such building is located.

PRINCIPAL USE: The primary use of land or buildings, as distinguished from an accessory or incidental use.

SIGN: Any device, fixture, placard, flag or structure that uses any color, form, graphic, illumination, symbol or writing to communicate information of any kind to the public and including any sign structure, sign supports, lighting system and any attachments, ornaments or appurtenances.

SIGN, ANIMATED: A sign which involves motion or rotation of any part by mechanical or artificial means or which displays flashing or intermittent lights.

SIGN AREA: The area of a sign that is used for display purposes, excluding the minimum frame and supports. In computing the sign area, only one (1) side of back-to-back signs covering the same subject shall be computed when the signs are parallel or diverge from a common edge by an angle of not more than forty-five degrees (45°). In relation to signs that do not have a frame or a separate background, sign area shall be computed on the basis of the least rectangle, triangle or circle large enough to frame the display.

SIGN, ATTACHED: A wall sign or projecting sign attached to a building wall or the generally vertical plane of a mansard type roof.

SIGN, BANNER: A commercial display on a temporary basis, advertising a product, service or employment opportunity.

SIGN, BILLBOARD: A sign which directs the attention to a business, commodity, service or entertainment not necessarily sold or offered upon the premises where such sign is located or to which it is attached or any other outdoor advertising subject to regulation pursuant to Sections 226.500 through 226.600 and Section 71.288, RSMo., 1994, as amended.

SIGN, CONSTRUCTION: A temporary sign used during construction of new buildings or reconstruction of or additions to existing buildings, such as those identifying the project and denoting the owner, architect, engineer, contractor and/or financing institutions of the project.

SIGN, DIRECTIONAL: A sign which is limited to indicating a direction for vehicular or pedestrian traffic or other movement.

SIGN FACING OR SURFACE: Any surface of a sign upon, against or through which the advertising message is displayed or illustrated, including structural trim, which displays or upon which is displayed any color, message, name or symbol of any kind for the purpose of advertising, announcing, directing or attracting attention from persons located outside of a building and which can be seen from a single location on an adjacent street provided that the ends, or thickness, of a sign shall not be counted as a separate sign face unless an advertising message is conveyed thereon.

SIGN, FLAG: Any fabric, bunting, banner, streamer or pennant containing distinctive colors, patterns, symbols or message which is made of flexible materials and designed to move with the wind.

SIGN, FLASHING: An illuminated sign on which artificial or reflected light is not steady or on which colors change.

SIGN, FLOODLIGHTED: A sign made legible in the absence of daylight by devices which reflect or project light upon it.

SIGN, FLUTTERING: A sign which flutters or is made of flexible materials which move with the wind or by some other artificial means, including, but not limited to, pennants, banners, balloons, whirligigs, streamers and flags other than those of a governmental entity or unit.

SIGN, GROUND: A sign mounted on a support on or in the ground.

SIGN, IDENTIFICATION: A sign which has a purpose of identifying the site of any subdivision, institution, religious or governmental building.

SIGN, ILLUMINATED: Any sign which is illuminated by light sources mounted on or in the sign or at some other location.

SIGN, INFORMATIONAL: A sign which has a purpose secondary or incidental to the principal use of the lot on which the sign is located such as "no parking", "no trespassing", "loading only", "entrance" and similar and including identification information such as house or building numbers typically used by postal services and public safety officials to locate properties.

SIGN, MESSAGE: Any inflatable balloon with a message attached.

SIGN, MESSAGE BALLOON: A replica of a hot air balloon with a message attached.

SIGN, MOVING: A sign, all or any part of which moves or is so designed or constructed as to facilitate movement of all or any portion thereof by means of any mechanical, electric, pneumatic, hydraulic or other natural or artificial force.

SIGN, PERMANENT: A sign firmly attached to the ground, wall or other portion of a building and not designed or intended to be readily removed or relocated.

SIGN, POLE: Any detached sign located on the same lot or parcel as the use it advertises which is supported by one (1) or more stationary poles longer than two (2) feet above the mean grade line of the ground at its base provided that this shall not include a permitted ground sign as set forth herein.

SIGN, POLITICAL: A temporary sign advocating or opposing any political proposition or candidate for public office.

SIGN, PORTABLE: A sign that is not permanently affixed to a building, structure or ground, and that may be readily moved or relocated. This includes signs placed on trucks, trailers or other transportable devices.

SIGN, PROJECTING: A sign attached to a building or other structure and extending in whole or in part more than eighteen (18) inches beyond any wall of the building or structure.

SIGN, REAL ESTATE: A sign pertaining to the prospective rental, lease or sale of property.

SIGN, ROOF: A sign erected partly or wholly on or over the roof of a building but not including ground signs that rest on or overlap a roof twelve (12) inches or less.

SIGN, SPECIAL DISPLAY: A sign identifying a special event.

SIGN STRUCTURE: The sign and all parts associated with its construction.

SIGN SUPPORTS: All structures by which a sign is held up, including, for example, poles, braces, guys and anchors.

SIGN, TEMPORARY: Any sign that is not permanently mounted or affixed and constructed of non-durable materials and is designed or intended to be displayed for a period of limited duration.

SIGN, WALL: A sign erected or attached against the wall of any building with the plane of the face parallel to the plane of the wall below the roof line.

SIGN, WINDOW, PERMANENT: A sign that is permanently affixed to either side of the glass of an exterior door or window, or suspended in anyway within eighteen (18) inches of a window allowing advertising to project outward.

SIGN, WINDOW, TEMPORARY: A temporary sign affixed to the inside of an exterior window or glass door.

SIGN, YARD (COMMERCIAL): Any temporary sign that is located on property in the "C" Planned Shopping Center District.

SIGN, YARD, (RESIDENTIAL): Any temporary sign that is located in a front yard of a lot located in an "A" Single-Family Residence District or a "B" Single-Family Attached Residence District.

SECTION 410.030: SIGNS PERMITTED IN ZONE "A" AND "B" RESIDENTIAL DISTRICTS

Subject to limitations hereinafter set forth, only the following types of signs shall be permitted in Zone "A" Single-Family Residential Dwelling District and Zone "B" Single-Family Attached Dwelling District in accordance with the regulations hereinafter prescribed. Regulations pertaining to size, height and number represent maximums allowed.

Type Regulations

A. Permanent SIGNS
